Financial Impact (Check those that apply)

X Action requires an appropriation increase to the ____ Capital Budget or X Operating Budget.
 X Action provides increased revenue for appropriation increase.

Background/Supporting Information Attached

The department has been awarded a grant to conduct a Health Impact Assessment in conjunction with the Above the Falls Policy Review and Implementation Study. This project will add public health considerations to the project by compiling evidence-based recommendations and conducting broad community engagement. Recommendations arising from this project will be presented to City Council upon completion of the assessment.
